**Complete the bottom portion of this form with a major/minor advisor.**

I hereby apply for a major in this department. In consultation with a major/minor advisor, I propose the following tentative program of \_\_\_\_\_ credit-hours:

Course Prefix	Course Number	Course Title	Course To Be Completed (select term and enter year)	Credit Hours

The NAIS minor comprises 18 credits. Students must complete two required courses and four electives. Students must follow College rules on double counting any minor courses with their majors. No more than one course (3 credits) taken outside of UVA can be counted towards the minor (this includes study abroad or transfer credits).

Choose ONE course from each of the core categories:

### Survey Course on Native Indigenous Studies:

- AMST/ANTH 3280: Introduction to Native American Studies
- AMST 2880: Contemporary Issues in Native North America

### Global/Transnational Indigenous Studies:

- ANTH 3100: Indigenous Landscapes
- ANTH 3152: Amazonian Peoples
- ANTH 3450: Native American Languages
- ANTH 4590/ARTH 4591: Aboriginal Contemporary Art
- MDST 4301: Global Indigenous Media
- SPAN 4500: Literatura Indigena

Choose FOUR electives from the [approved course list](#) found on the website. Courses not found on this list require the approval of minor advisor.

5. Leave "Name of Student's Major Advisor" blank. It is not a required field.
6. Once you fill in the required fields and "sign", click FINISH on the top header to submit the form.

Once the College Registrar has processed your document, you will receive an auto-generated email with a link to the completed DocuSign. You can click on this link and view/print/download your approved form and save it to your personal records.
